

WHAT IS FROSH SENATOR?

Many of you may be wondering; what exactly does the position "Frosh Senator" entail? What is so significant about a first year senator?

To put simply, A Frosh Senator is **voted by the people and for the people.**

As a Senator, I will be sitting on the StFX University Senate, in which governs the academics of the school. Here I will be meeting many student leaders, deans, and professors at StFX. I make decisions on program changes, academic discipline, expansion of academic facilities, entry requirements, fostering of extra curriculars, and the planning of student enrolment

As Frosh Senator, it is important to me to be representing the first year students and to ultimately sustain the academic priorities at StFX. Therefore, if you do have any questions or concerns regarding academics, please do not hesitate to email me.

As Woodrow Wilson once said: ***"The ear of the leader must ring with the voices of the people."***

Sincerely,

Anica Bistretzan
